

Southern California Drug Benefit Fund

2024 Indemnity Dental Schedule of Allowances for Dental Procedures

Benefits, Limitations and Exclusions, including Miscellaneous Codes As Revised January 1, 2024

Gold and Platinum Plans

The Trustees establish a Schedule of Allowances that sets the maximum covered charge for each procedure. The Schedule is updated each year, and is attached to this notice.

The Fund continues to contract with Delta Dental of California to bring you an expansive network of dentists. Under the Indemnity Dental Plan, you continue to have the following three choices of dentists, but you will generally have lower out-of-pocket expenses if you choose a dentist in the Delta Dental PPO Network:

Delta Dental PPO Dentists. For Delta PPO dentists, the Plan pays the lesser of the Delta PPO Contracted Rates or the amount listed in the Fund's Schedule of Allowances.

Delta Dental Premier Dentists. For Delta Premier dentists, the Plan pays the lesser of the Delta Premier filed fee(s) or the amount listed in the Fund's Schedule of Allowances.

All Other Dentists. For non-Delta Dental dentists, the Plan pays the lesser of the amount billed by the dentist or the amount listed in the Fund's Schedule of Allowances.

As in the past, you are still responsible for:

- Your annual deductible, currently \$75 per person; \$225 per family,
- Amounts over the calendar year maximum if you are in the Gold or Platinum plans,
- Amounts in excess of the Covered Charges.
- **IMPORTANT NOTE:** Predetermination for treatment plans in excess of \$500 is required and will be allowed only when patient need can be demonstrated. X-rays are required on all claims over \$500 and claims under \$500 when extractions, crowns, periodontal treatment, root canal therapy, or 3 or more restorations are involved. The annual maximum benefit per person is \$2,000. Please review the complete benefits, limitations and exclusions, including miscellaneous codes included in the attached Schedule.

To find a dentist in the Delta Dental network, go to www.deltadentalins.com or call 800.765.6003.

All dental claims are to be sent directly to Delta Dental, P.O. Box 997330, Sacramento, CA 95899-7330. Delta dentists will file the claims for you, so you will have less paperwork.

Gold and Platinum Plans

Benefits, Limitations and Exclusions, including Miscellaneous Codes as Revised January 1, 2024

DEDUCTIBLE AND MAXIMUM:

The first \$75 of expenses per person covered under this schedule will be deducted for services per calendar year up to \$225 per family. This deductible will not apply to routine preventive and diagnostic care such as oral examinations, teeth cleanings and x-rays.

An annual benefit maximum of \$2,000 per person covered under this schedule will apply. The allowance for all covered services will be 100% of the benefit schedule.

I GENERAL INFORMATION

201. Covered dental benefits are those listed procedures necessary to prevent and eliminate oral disease and for services required to maintain and restore function. The Indemnity Schedule of Allowances for Dental Procedures indicates the dollar amount the Fund will contribute toward the dentist's fee for each listed procedure, but in no event will the Fund's allowance exceed the fee charged.
202. Covered benefits are subject to review by the dental consultants for the Fund. Preauthorization for treatment plans in excess of \$500 is required and will be allowed only when patient need can be demonstrated. X-rays are required on all claims over \$500 and for claims under \$500 when extractions, crowns, periodontal treatment, root canal therapy, or three or more restorations are involved.
203. Eligibility for dental benefits is subject to meeting the eligibility requirements for dental coverage under the Southern California Drug Benefit Fund and receipt by the Fund of the appropriate employee premiums. Contact the Trust Fund Office to determine eligibility for dental benefits.
204. Claims must be submitted within twelve months after completion of compensable dental procedures and must show procedure codes (adapted from the ADA recommended Current Dental Terminology CDT) and actual fee charge to the patient.
205. The Benefit Fund will not process requests for partial payment.
206. Coordination of Benefit Provision will be applied in the payment of all claims. This Plan will coordinate with all other group plans.
207. Charge for completion of forms is not a covered benefit.
208. Payment will not be made for x-rays that are not diagnostically acceptable.
209. Orthodontics and related services are excluded.
210. Coverage is not provided for Cosmetic Services, including but not limited to bleaching/whitening of teeth, veneers, facings enamel hypoplasia (lack of development), and fluorosis (tooth discoloration).
211. Full mouth reconstruction or treatment for congenital malformations is not a covered benefit.

212. Hospitalized dental treatment is not a covered benefit.
213. Dental Plan benefits are treated as a standalone (or excepted) benefit under HIPAA and the PPACA.
214. Coverage is not provided for Occupational Illness, Injury or conditions subject to Workers' Compensation. This includes all expenses incurred by you or any of your covered Dependents arising out of or in the course of employment (including self-employment) if the injury, illness or condition is subject to coverage, in whole or in part, under any workers' compensation or occupational disease or similar law. This applies even if you or your covered Dependent were not covered by workers' compensation insurance, or if the Covered Individual's rights under workers' compensation or occupational disease or similar law has been waived or qualified.
215. Charges made by (a) immediate relatives of the participant or dependent or (b) members of the participant's or dependent's households are not covered, except for covered charges, which constitute out-of-pocket expenses to such providers.
216. Coverage is not provided for Education Services and Home Use Supplies, such as for plaque control, oral hygiene or diet or home use supplies, including, but not limited to, toothpaste, toothbrush, water-pick type device, fluoride, mouthwash, dental floss, etc.

220. Full mouth or panoramic x-rays are covered benefits only once every five years.
221. A panoramic x-ray when accompanied by two or more bitewing and/or periapical anterior films is considered the same as a full mouth x-ray series and is paid as such.
222. Study models or intra-oral photographs are not a covered benefit.
