

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call the Trust Fund Office at 1-877-999-8329 or visit [www.ufcwdrugtrust.org](http://www.ufcwdrugtrust.org). For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at [www.healthcare.gov/sbc-glossary](http://www.healthcare.gov/sbc-glossary) or call 1-877-999-8329 to request a copy.

Important Questions	Answers	Why This Matters:
<p><b>What is the overall deductible?</b></p>	<p><b>PPO (Network) Providers:</b> \$300/individual or \$600/family  <b>Non-PPO (Out-of-Network) Providers:</b> \$1,000/individual or \$2,000/family</p>	<p>Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u>, each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u>.</p>
<p><b>Are there services covered before you meet your deductible?</b></p>	<p>Yes. <u>Home health care</u>, <u>prescription drugs</u>, <u>durable medical equipment</u>, vision services, and the following services when received from a PPO <u>provider</u>: <u>urgent care</u>, physician office visits, <u>preventive care</u>, speech therapy, podiatry, and mental health/substance abuse office visits.</p>	<p>This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u>. See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a>.</p>
<p><b>Are there other deductibles for specific services?</b></p>	<p>No.</p>	<p>You don't have to meet <u>deductibles</u> for specific services.</p>
<p><b>What is the out-of-pocket limit for this plan?</b></p>	<p><b>Medical Out-of-Pocket Limit for PPO Providers:</b> \$2,000/individual, \$6,000/family  <b>Prescription Drug Out-of-Pocket Limit (in-network):</b> \$6,950/individual, \$11,900/family</p>	<p>The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u>, they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.</p>
<p><b>What is not included in the out-of-pocket limit?</b></p>	<p><b>Medical Out-of-Pocket Limit for PPO Providers:</b> <u>Premiums</u>, <u>balance billing charges</u>, health care this <u>plan</u> doesn't cover, <u>deductibles</u>, penalties for failure to obtain <u>preauthorization</u>, <u>prescription drug expenses</u>, hearing aids, chiropractic care, acupuncture care, and expenses from non-PPO <u>providers</u> (i.e., <u>out-of-network</u>).  <b>Prescription Drug Out-of-Pocket Limit (applicable to prescription drugs from network pharmacies):</b> <u>premiums</u>, <u>deductibles</u>, <u>balance billing charges</u>, and health care this <u>plan</u> doesn't cover.</p>	<p>Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u>.</p>

Important Questions	Answers	Why This Matters:
Will you pay less if you use a <u>network provider</u> ?	Yes. In California, see Anthem Blue Cross Prudent Buyer at <a href="http://www.anthem.com/ca">www.anthem.com/ca</a> or call 1-800-227-3641 for a list of medical care or behavioral health care PPO <u>providers</u> . Outside of California, see <a href="http://www.bluecross.com">www.bluecross.com</a> or call 1-800-810-2583.	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's charge</u> and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
