Important Questions	Answers	Why This Matters:
<a href="#">What is the overall deductible?</a>	\$300/individual or \$600/family.	Generally, you must pay all of the costs from <a href="#">providers</a> up to the <a href="#">deductible</a> amount before this <a href="#">plan</a> begins to pay. If you have other family members on the <a href="#">plan</a> , each family member must meet their own individual <a href="#">deductible</a> until the total amount of <a href="#">deductible</a> expenses paid by all family members meets the overall family <a href="#">deductible</a> .
<a href="#">Are there services covered before you meet your <a href="#">deductible</a>?</a>	Yes. <a href="#">Preventive care</a> , primary care, <a href="#">specialist</a> visits and testing services are covered before you meet your <a href="#">deductible</a> .	This <a href="#">plan</a> covers some items and services even if you haven't yet met the <a href="#">deductible</a> amount. But a <a href="#">copayment</a> or <a href="#">coinsurance</a> may apply. For example, this <a href="#">plan</a> covers certain <a href="#">preventive services</a> without <a href="#">cost-sharing</a> and before you meet your <a href="#">deductible</a> . See a list of covered preventive services at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .
<a href="#">Are there other <a href="#">deductibles</a> for specific services?</a>	No.	You don't have to meet <a href="#">deductibles</a> for specific services.
<a href="#">What is the <a href="#">out-of-pocket limit</a> for this <a href="#">plan</a>?</a>	For participating <a href="#">providers</a> \$2,000 individual / \$4,000 family. For <a href="#">prescription drugs</a> from participating pharmacies: For the 2025 calendar year: \$7,450 individual / \$14,900 family; Effective 1/1/26, for the 2026 calendar year: \$7,200/individual / \$14,400/family.	The <a href="#">out-of-pocket limit</a> is the most you could pay in a year for covered services. If you have other family members in this <a href="#">plan</a> , they have to meet their own <a href="#">out-of-pocket limits</a> until the overall family <a href="#">out-of-pocket limit</a> has been met.

Important Questions	Answers	Why This Matters:
What is not included in the <u>out-of-pocket limit</u> ?	<p>Medical <u>out-of-pocket limit</u> (for participating <u>providers</u>): <u>Copayments</u> for certain services, <u>premiums</u>, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.</p> <p><u>Prescription Drug Out-of-Pocket Limit</u> (applicable to <u>prescription drugs</u> from <u>network</u> pharmacies): <u>Premiums</u>, <u>deductibles</u>, <u>balance-billing</u> charges, and health care this <u>plan</u> doesn't cover.</p>	Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .
Will you pay less if you use a <u>network provider</u> ?	Yes. See <a href="http://www.welcometouhc.com/uhcwest">www.welcometouhc.com/uhcwest</a> or call 1-800-624-8822 for a list of participating <u>providers</u> .	This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use a non-participating <u>provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your participating <u>provider</u> might use a non-participating <u>provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	Yes, written or oral approval is required, based upon medical policies.	This <u>plan</u> will pay some or all of the costs to see a <u>specialist</u> for covered services but only if you have a <u>referral</u> before you see the <u>specialist</u> .

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.
